Happy Mother's Day!!

Sharing the gospel of God's love with the residents of Pueblo Nuevo and building a strong local fellowship of believers has always been the cornerstone of the ministry that encompasses Morning Star Children's Home and Strong Tower Christian School.

Friday's Mother's Day celebration was once again another opportunity to gather people together and share this message with them. Making this a memorable experience were the songs, games and of course their own children's participations in songs and skits. The biggest turnout on record for Strong Tower events reminded us of how many have yet to turn over their lives to Christ so we continue to strive to this end.

At Morning Star Hugo, Olenka and Cesia still await the arrival of their new parents. It should be any day now that they begin their new life as a family. Please pray for the adaptation process as well as the logistics and legal paperwork to go smoothly.
