5th Anniversary Celebration

The anniversary activities began Sunday the 23rd with Strong Tower being invited by the Mayor of Pueblo Nuevo to participate in the weekly flag raising ceremony in the town square. On Tuesday the entire student body accompanied by

most of the parents and all the staff marched through the streets of both Pueblo Nuevo and Ferreñafe. Both events are deeply rooted in local tradition and it doubled as a promotional event as flyers were handed out to attract students for the 2012 school year. It was amazing to see the processional stretch out for three city blocks and note the impact the school has had on the community in such a short time. Little by little the parents are

feeling more involved and some are beginning to attend church on Sundays. The Lord continues to draw souls to Himself and Strong Tower is an effective tool to reach into homes in the community.

Construction is underway on the new classroom/administrative building with the foundations being poured by this weekend. Please continue to pray for the Lord's provision for this project both in the financial resources needed for completion as well as the volunteers that can come and do the finish work once the basic structure is complete. Several have already purchased airline tickets and the months of January and February will focus on preparing the new building for occupancy.

Bittersweet Departures

After two years at Morningstar Children's Home, Cynthia, Segundo & Nayeli, three siblings who had watched as many other children were adopted, had their prayers and ours answered as a couple from the US arrived in October to adopt them. Their paperwork is almost finalized and they will be leaving Chiclayo within the next few days. Please pray for the new family as they adapt to each other and their new life together.

Kim Dejager's father was suddenly called home to be with the Lord Tuesday evening. The Dejager family will be travelling back to Canada right away for the memorial service and be able to spend some time with family and friends. Your prayers will be appreciated for them during the upcoming days.

"The eternal God is your refuge, and underneath are the everlasting arms". Deuteronomy 33:27

Welcome Arrivals

Another answer to prayer was Enrique. His wife is a believer who came into fellowship in the assembly here a few months ago. He has been under the sound of the gospel for over a year, but Tuesday evening in prayer meeting he stood up and professed his faith in Christ. The lesson on Sunday was on Romans 10:9-10, and he decided to make a public commitment to follow the Lord, whom we thank for Enrique's new birth.

Thank you for your continued prayers on our behalf.
