Dear Family & Friends,

Php 2:13 “For it is God which worketh in you both to will and to do of his good pleasure.” This verse has spoken to us recently as we are forced to wait upon the Lord for His direction, being constantly at a crossroads it seems, with so many different directions available for the various ministries He’s allowed us to embark upon, we have to remember that it is He that is at work to do HIS pleasure. Please pray that we will have the wisdom to understand His direction, and not waste time running around on “rabbit trails” but that “being in the way”, He might lead us.

I must apologize for the tardiness of this letter, as we were in the US for a month and having just returned are sifting through the pile of stuff to catch up on. The Lord gave us a wonderful time celebrating Carol’s parent’s 50<sup>th</sup> wedding anniversary spending a week with the whole family in the N. Georgia mountains. We witnessed Bryan’s high school graduation where Tom was asked to be the keynote speaker. We were also able to visit several groups of believers including our commending assembly and share the latest news of the work here. Please pray for a team from Hiawassa Bible Chapel coming for 10 days in August. Our niece Katie returned with us and will be helping at the school and children’s home until the end of July. Tom’s oldest brother Jim and his wife Sandie will also visit in August.

During the month of July we will Lord willing begin the formal application process for official government recognition of the Strong Tower school.

We were pleased to observe notable spiritual growth in the assembly in Pueblo Nuevo, as the men and even some of the boys take an active role in the meetings expressing their heartfelt worship toward the Lord. During the colder months here we are shifting our focus in the area of outreach to a more “in-doors” approach, soon we’ll be inviting one or two couples at a time into the various believers home for tea and be able to feel out their spiritual needs and share the gospel with them.

By His grace,

*Tom, Carol & family*
