## Morning Star Child Reach Ministries News Bulletin

July 2<sup>nd</sup>, 2011

### Community Outreach

Our focus remains on achieving our ultimate goal, to convert each heart into a true and spiritual worshipper of the heavenly Father. Many means and methods may be used in this process and this month we had the privilege of hosting a group of 23 servants of Christ from Colbert, Georgia. They were divided up into three teams, one did songs and puppets, another hand crafts and the third did games. We had prepared for their arrival by obtaining permission from the local school principals to

take over the student body for a couple hours and rotate thirty students at a time through each team's venue, this way each child left school with the Word of God in their hearts and written on the crafts they took home as well as the gospel literature they were given. During the weeklong visit, over 700 students were reached, all in the community surrounding the Moringstar compound where we meet each week to worship and where each family can follow up on any interest in spiritual matters by responding to the invitations to meet with us, this way the effect is doubled, not only the sowing the seed in each child's

heart but also by following up with each family as the combined efforts of this particular visit as well as the exposure provided by Strong Tower Christian School continues to give us access into their home with the Gospel. A well worn but very happy group departed the Chiclayo airport on schedule and arrived home to their loved ones safely. Thanks Colbert Team!!

## New Arrivals at Morningstar

It seemed vaguely familiar and reminiscent of long ago....that there would be a empty bed or two....NOT FOR LONG! The Lord has brought us David, and eight year old boy who is now in House #1, and Perla an eight year old girl is adapting to her new surroundings in House #2. We daily observe the Lord working out the particulars in each child's life and we praise Him for His sovereignty and also for His provision for this intensive ministry.

Thank you for your continued prayers on our behalf.
