Strong Tower Graduation

Strong Tower Christian School has 3 kindergarten classes the oldest of which is the 5 year old room. Each year we've held a graduation ceremony for those students. We are still a few years away from having an elementary level ceremony as we add one grade per year. It was a nice affair held in the evening and very well attended. The following day was the Christmas program held jointly for Strong Tower students as well as the children that attend Sunday School. Over 250 people were on hand for

that event and a very good turn out by the parents. It's always exciting to be able to share the gospel with them knowing that His Word "will not return unto Him void".

Construction has begun on the slab for the new classrooms needed as Strong Tower continues to grow, expanding to 3rd grade in March of 2011. There remains a need for volunteers in the first three weeks of January to do framing and roofing. Please pray for the Lord's provision as this project moves forward. We are excited that registrations for next year are well ahead of schedule.
