*News of some of the Lord's work in Northern Peru*

Looking back over the past year we can clearly see the Lord's guidance and direction in having us focus a large part of our attention to Morning Star Children's Home. We began the year with 6 children and today there are 17 children we are caring for. Several of the newcomers have been young teens who during the relatively short time they have been with us have already come to know Christ as their Savior.

Esgar and Monica both finished elementary school this month and here in Peru the schools tend to be quite elaborate with the celebrations. We are happy to encourage them in this milestone.

Christmas was a special time as we were able to gather all the children as well as the staff and their

spouses along with several others who volunteer on a regular basis for a big Christmas dinner on the 25<sup>th</sup>. The kids performed a couple of numbers afterwards.

Later in the afternoon a group of about 20 members of the church here gathered to go out through the surrounding community to pass out gospel literature and invite the neighbors to visit on Sunday. Our prayer is that the Lord continue to further His kingdom here in Pueblo Nuevo.

We are thrilled to see the Lord at work in each individual He brings our way and for all those who support the ministry here with their prayers and giving.
