*News of some of the Lord's work in Northern Peru*

Strong Tower Christian School hosted it's Father's Day event. It was very well attended, almost all the fathers were present and the students did an excellent job with the performances they had prepared. It was also another great opportunity to share the gospel with all of them. Please pray for Guillermo and Maribel, the parents of one of our students who are meeting with Tom weekly for an evangelistic Bible study.

On June 18<sup>th</sup> we all celebrated Mili's "quinceañera", the traditional 15<sup>th</sup> birthday that is so significant for girls in Latin culture. She was very excited about all the fuss that was made just for her and very happy with the event. She has really blossomed since she and her siblings arrived at Morningstar two years ago.
