Gabriela Grace is off to Germany

In direct answer to your prayers and ours, the Lord provided a Christian home for Gracie, her new parents shared a couple of weeks with us as the adoption paperwork was processed. The last Sunday they were in town we celebrated together Grace’s 1st birthday in the company of the saints of the Pueblo Nuevo assembly here at Morning Star. She’s adapted very well to her new parents and as they shared their personal experience in seeking a child, it was obvious that the Lord has His hand in this all along....as usual.

Two New Houses

Further answer to prayer was the Lord’s gracious provision of funding for the construction

of the first of the new duplexes. This means two new houses for Morning Star which when completed will give us a capacity of 12-14 children. The existing family will move into the

first floor as soon as it’s completed, allowing the Strong Tower school to take over the current house as classrooms, and when the second floor is done, a new set of house parents will move in, please pray the Lord will guide through out this process.

He has also made provision to build a room specifically for volunteers who come to help, this on the second floor of the current house. Two more volunteers are scheduled to arrive May 2nd, in answer to prayer for help with the teaching at Strong Tower. The showers of blessing continued with the

provision of a 15 passenger van for use at Morning Star. A long tedious week in Lima resulted in the Lord leading us to just the right one He had picked out for this purpose. Thank you for your prayers as the Lord allows us to move ahead in this exciting ministry.

Jer 33:3 Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not.
