

# Rising Star

## *News of some of the Lord's work in Northern Peru*

Milagros, her brother Esgar and sister Rosita came to Morning Star 5 years ago. During that time, they have come to know Jesus Christ as their Savior and recovered very well from their very traumatic upbringing. In 2018 they were declared wards of the state and were placed on the adoption roster. June 17<sup>th</sup> Milagros turned 18 and can now make her own decisions for her future. We thank the Lord that first and foremost she is seeking His will. She is in the process of

applying to a Christian program in Trujillo Peru's third largest city 3 hours to the south of Chiclayo. A halfway house for girls who age out of childcare facilities, they offer a 3 year commitment to housing, higher education and discipleship. Please pray that the Lord will make His will clear regarding her immediate future.

Anabel arrived at Morning Star in July of 2018 and was saved for eternity shortly thereafter. An avid reader she quickly grew in her faith and commitment to the Lord. The conflicted family situation that brought her to us was gradually repaired and on June 12<sup>th</sup> she was returned to her parents' custody. Our follow up visits have been fruitful as she is attending a good church just a few blocks from her home along with her entire family and so the seed sown spreads. Please pray her witness will result in her family's salvation.

Virginia arrived at Morning Star in September of 2018 and soon also accepted Christ and has grown in her faith. On June 19<sup>th</sup> the family court granted custody her aunt with whom she had spent much of her childhood and she was very excited when the decision was handed down, leaving Morning Star however was tearful but the tears did not last long as a few days later she was in attendance at the youth meeting on Saturday and both services on Sunday, one of the benefits of having a congregation in which to fellowship integrated into the ministry. Please continued to pray for her and the 17 children remaining at Morning Star. We thank you for your support of the Lord's work!
