*News of some of the Lord's work in Northern Peru*

The visit of a team of volunteers from Colbert, GA this month began with a door to door distribution of flyers throughout the community followed by a special "Family Day" activity on Sunday. Throughout the week they accomplished many maintenance tasks on the property as well as spending a lot of quality time with the children in Morning Star.

Antonio is now 12 years old, he has been at Morning Star for a year. During this time his only sister has been at a girl's facility in Chiclayo and this

week the family court judge requested that we take her in so they can be together. She is 16 and has visited several times during the past year and they are both excited to be able to be together. We trust that this will result in her salvation and that the Lord will direct in their future paths.

We are very thankful for all the Lord is doing here and for all those who support the ministry here with their prayers and giving.
