News of some of the Lord's work in Northern Peru

Very few times since the inception of Morning Star over 15 years ago has one of our kids "aged out". Esgar turned 18 on May 5th and after spending half his life with us he received a 3 year scholarship at a Christian transitional home in the city of Trujillo, just a four hour drive south of Chiclayo. Under the guidance of their staff he'll study graphic design, find gainful employment and continue to be discipled in his walk with the Lord. We are so thankful the Lord provided this opportunity for him and ask that you keep Esgar in your prayers as he enters this next phase of his life.

Joshua is six years old, his brother Jeremiah is 3. Because their mentally- challenged mother is not able to care for them properly, they are our newest arrivals at Morning Star. Happily, they have adapted quickly to their new environment and we can strive to get them on track developmentally.

Sunday the 29th was a joyful day as the local church held a baptismal service. Six of our kids gave testimony of their faith in Christ as well as

Susy, a teacher that has been assisting with the children's education since last year. We rejoice in seeing the fruit for eternity as the Holy Spirit touches hearts and sets these precious lives on a path toward glory.

We are so grateful to the Lord for your partnership. Your prayers and your financial support are a vital element of the Lord's work at Morning Star. Last month we asked that you pray about adding a swimming/baptismal pool/water tank to our facility, and we praise the Lord that those prayers have been answered and He has provided the funds to move forward with that project. What an awesome God we serve!

Thank you so much for your prayers!!
