

# Rising Star

*News of some of the Lord's work in Northern Peru*

A couple of families from one of the churches in Chiclayo came to Morning Star this month to put on a special program for the kids. As we observed the activities we were reminded of when we used to visit one of the State run children's homes in Chiclayo 20 years ago which was when the Lord began to motivate us to initiate Morning Star and how this ministry has grown over the years. There are now enough children to actually have others come visit us and carry out these kinds of events.

This month we welcomed six-year-old Claudia, one of 4 siblings taken from their spartan home high in the mountains east of Pueblo Nuevo due to negligence and abuse by their parents. Unfortunately, we only had room for her, and her

siblings had to be separated into two other facilities in Chiclayo. She is a delightful bundle of energy and always has a quick smile to share.

Last month we introduced you to Fernanda who arrived at Morning Star in early October. We asked you to pray for her salvation. The Lord has answered your prayers and ours as this past week she asked how she could become a child of God. After a clear explanation of the Gospel, she tearfully opened her heart and accepted Christ as her Savior. Join us in praising the Lord for one more soul now safe for eternity.

Please also continue to pray for stamina, patience, and wisdom, as well as the ability to maintain the appropriate focus on each individual child and their needs. We very much appreciate all the ways you support this ministry.
