

Rising Star

News of some of the Lord's work in Northern Peru

We started off the new year with a mother/daughter team of volunteers. Sarah & JJ undertook the daunting task of remodeling the high school classroom in the mornings and spent copious hours frolicking with the Starlites in the afternoons. Highly skilled and overqualified, their servant's hearts were a daily encouragement and blessing to us all.

After a couple of years of waiting on the adoption roster, sisters Romy (9) and Katty (7) met their new parents from Italy and said goodbye to all of us at Morning Star. Although they will remain in Lima for a couple of months to finish all the paperwork required to travel, they will eventually end up living just an hour away from Juanita and Mia, (their "besties") who were adopted a couple of months ago. The families are already making plans to get together when they arrive home.

We are very thankful to the Lord for your prayers on behalf of the ministry here at Morning Star. Pray for His wisdom as we continue to strive toward the mark of the high calling in Christ...that He be glorified in each of the lives He entrusts us with.

The Staff at Morningstar

For a couple of months, nationally held municipal elections, political turmoil causing road blockages and end of year holidays all one after another prevented Ester (11) and her sister Rosalinda (9), from crossing the Andes mountains to become our latest additions. Due to domestic abuse and neglect they were in a temporary shelter in the town of Bagua but are now reveling in a safe and secure environment at Morning Star.
