

Rising Star

News of some of the Lord's work in Northern Peru

We began April with the visit of Danielle Slater and her two daughters, Hayden & Morgan. What a blessing!! Boundless energy we ALMOST managed to exhaust. They kept busy till the very last day of their week with us.

As the summer heat continues past the usual time frame, there is a cold virus going around throughout the kids and staff. Thankfully its symptoms are not very long lasting, however one by one they are all going through it. So far, it's not really affected the schedule of daily activities and school has been able to stay on track.

Several of the Starlites cases have been moving forward involving court appearances via ZOOM. Navigating their expectations regarding what the future holds for each of them is always a challenge. You can pray the Lord will continue to manifest His will in each of their journeys.

In March we filed the paperwork for our bi-annual accreditation with the powers that be and last week we had the inspectors arrive to go over Morning Star with a fine-tooth comb. They seemed very positively impressed with the quality of the care the children receive as well as the condition of the facilities. We praise the Lord that He can be glorified as we give witness to His continued provision and direction in this ministry.

We were able to open one of the walls between the dining hall and the room next door, allowing us to house the major appliances on that side of the room providing for more spacious accommodations now that we seat close to 40 at lunch time. When our next volunteer team arrives in June, we'll be able to

We are very thankful to the Lord for your prayers on behalf of the ministry here at Morning Star. Pray for His wisdom as we continue to strive toward the mark of the high calling in Christ...that He be glorified in each of the lives He entrusts to us.

The Staff at Morningstar
