News of some of the Lord's work in Northern Peru

Siblings Yenzzy, Josue, Betania & Khaled were with us for almost two years. During that time Yenzzy also accepted the Lord and was baptized. Just this week they also were returned to their mother's custody. We are looking forward to follow-up visits to encourage them during their adjustment to new surroundings and circumstances since part of the custody process involved separation from their abusive, alcoholic father. Our prayer as always is that the seeds of the Word planted in their hearts will grow into fruit for eternity.

Departures from Morning Star are bittersweet. Sisters Keyla, Angie and Noelia were with us for almost exactly a year. During that time Keyla professed faith in Jesus Christ and was baptized. They were recently returned to their mother's custody and thus far have been settling in nicely with the help of extended family members.

Antonio will be turning 18 next week and plans are moving ahead nicely for him to move across the street to the home of Omar & Blanca who are on staff at Morning Star. This will allow him to finish his last year of high school under our tutelage as well as growing stronger in his faith and devotion to the Lord.

We are very thankful to the Lord for your prayers and as we look forward to the challenges in the upcoming year, we are grateful we can continue to serve these delightful children and direct their attention towards a heavenly Father who loves and cares for them.
