News of some of the Lord's work in Northern Peru

Shortly after you began praying for the reunification of Claudia with her siblings, the systems wheels began to turn, and her brothers Alex (11) and Ulises (4) were transferred from the other homes there were in and joined us here at Morning Star. Their younger sister Margarita (1 ½) is the only one missing, due to staffing restrictions we won't be able to take her in until she turns 4, but in the meantime the 3 siblings are very happy to be together.

We were very encouraged by the visit of Jim &

Sharon Fleming from the staff at Christian Mission in Many Lands. They are currently assigned to Missionary Care. They visited various ones in Peru and included a three-day visit with us at Morning Star getting better acquainted with the work here and its inherent challenges.

Please pray for Rosalinda who just turned 12, and her sister Ester (14). The family court in charge of their case over in the jungle has been dragging its feet in handing down a final ruling. They seem to only respond to in person visits to move each segment of the case along and that involves several days of travel each time. Pray for a Christian family that would be willing to qualify either for adoption or foster care and take them in once a ruling is obtained.

We are grateful we can continue to serve these delightful children and direct their attention towards a heavenly Father who loves and cares for them.
