News of some of the Lord's work in Northern Peru

David proclaimed in Psalms 9:1, "I will praise thee oh Lord with my whole heart, I will show forth all thy marvelous works". Our hearts are filled with the same expression as after a season of earnest prayer seeking the Lord's wisdom and guidance regarding the future path for

the ministry at Morning Star, He has once again proven His faithfulness and we want to proclaim His "marvelous works" in providing for the needs of the ministry He began 18 years ago on October 26th, 2006. As it was with Moses during the Exodus, we seek only to be alert to the Lord's leading and follow when the cloud or column of fire moves. Your prayers for Morning Star this month have allowed us to continue providing loving care and the message of His saving grace to the 29 children in our care. Those times when He has us back up and look at the big picture, instills in us the realization that He is a faithful and awesome God who daily provides the wisdom needed to follow His lead.

Eight-year-old Yandi is our newest arrival at Morning Star. A victim of yet another dysfunctional family and alleged sexual abuse by her stepfather, she will be at Morning Star while the authorities carry out their investigations regarding her home. Her family lives right here in Ferreñafe and she misses her mother, grandmother and siblings but is responding quickly to the structure and stability of life at Morning Star. She is just now learning to read and write since her arrival. Please pray that she will comprehend the message of God's love for her and respond to His saving grace.

At the beginning of October, we changed teachers in the high school classroom and were able to install surveillance cameras for enhanced security in all three classrooms. Each change brings fresh challenges in personnel management, and we are grateful to the Lord for providing the staff needed to continue moving forward as He directs.

We are grateful we can continue to serve these delightful children and direct their attention towards a heavenly Father who loves and cares for them.
